Dear Parent,

On Thursday, March 18, 2010, in the afternoon, two of our students were involved in an altercation in a restroom. After school, friends of the two students continued the conflict with another altercation in our parking lot. Despite the rumors, no weapons were involved and no ambulance was called. Parents of the students took their children home.

Today, additional police officers have been at school all day today to assist us due to widespread rumors. While we are aware of the rumors that have been circulating, we have not been able to substantiate any of them. Our counselors have been meeting with students and parents to mediate any known conflicts.

School is being held as normal. Disciplinary measures are being taken for those students involved, and we will continue to work with students and parents as necessary. We will also continue to have additional security on site next week. Should you have any questions, please contact us at 244-7691.

Sincerely,

Joel McKinney
Principal
